

Apurv Jha

IT Pre-Final

Information Science & Engineering major, currently studying in BMSIT. Enthusiastic Software Developer and quick learner with great logical and problem-solving skills. Proficient in C++, Java, Dart, Flutter Web/App Development, Web3, Blockchain & Data Structures. Programming excites me as it challenges my problem-solving skills and brings me the joy of turning ideas into working reality.

EDUCATION

Bachelor of Engineering Bms Institute of Technology

08/2018 - Present

banglore, India

Courses

- Information Science

12th Kendriya Vidyalaya

04/2015 - 04/2017

78.8 %

10th Kendriya Vidyalaya

04/2014 - 04/2015

9.8 CGPA

WORK EXPERIENCE

Software Development Intern Acadpal

09/2020 - Present

Pune, Maharashtra

AcadPal is a platform for students to practice and learn concepts in fun ways that's engaging. Backed by Y-Combinator and other marquee investors.

Achievements/Tasks

- Built responsive UI for both Testpal and Acadpal apps using flutter.
- Implemented Bloc Architecture for state management. Worked with RESTful API and connected the app with the backend. Built admin functionalities.

Flutter Development Intern Spring Edge

04/2020 - 06/2020

Bengaluru, Karnataka

Spring Edge is one of the Best Business Communication Platform with Services Like transactional bulk sms API gateway and voice communication services.

Achievements/Tasks

- Used different solid Architecture like Mvvm and Bloc.
- Developed/optimized and maintained the app utilizing flutter technologies with various APIs to meet my client needs and goals
